Governor Visit

The entire Governing Body of the academy visited this week and spent time walking around the school and visiting lessons. They were very positive about the calm atmosphere and how hard the students appeared to be working, so well done to all. It is always nice to hear compliments about our students from external visitors.

New PE Block

I am delighted that our new PE Office and Changing Rooms which were installed over the summer have now been completed and are a significant upgrade on the old Oaks building it has replaced.

Extended Day Activities

All parents of students in Year 7 and those of any students from other years who have applied to take part in Extended Day activities should receive a letter confirming the activity their child is taking part in. The activities will begin next week, week beginning Monday 16th September 2019.

Money Mules

We have been asked by Kent Police to help raise awareness of the dangers of so called 'Money Mules'. There will therefore be a letter sent out next week on their behalf, so please look out for this important piece of information.

Website

You may have noticed that we have just launched our new website. We think it looks great and is more user friendly, particularly on a mobile device.
