

PARENT BULLETIN

FRIDAY 2ND OCTOBER 2020

Message from the Principal

A short bulletin this week, as we continue to settle into as normal a routine as possible. Please continue to follow the COVID rules as you have been, I know it is difficult at times, but really important.

If you are driving into the school car park, please ensure you do not use the disabled bays unless you have a blue badge and if you have a blue badge but the child you are picking up is able to walk to the main car park, please consider whether you need to take up a disabled space.

Similarly, this morning in the bad weather, cars were trying to drop students off as close to the gate as possible but the combination of weather and quantity of traffic resulted in a situation where it could easily have become unsafe. Please drive into the drop off area or into a space in the main car park when the car park is busy.

On a lighter note, thank you to the surprising number of parents/carers who gave me a cheery wave (or laughed) when they noticed me in the car park this morning getting soaked!

Thank you and take care,
Shaun Simmons

English Revision Resources

All Y11 students have been given a pack of resources to assist with their mock revision. These resources will work alongside the sessions we will offer after school and includes:

- a timetable of suggested activities
- a workbook to accompany their classwork on Romeo & Juliet
- a workbook which focuses on their descriptive writing skills
- all of their classwork from Y10

Year 11 Extended Day Revision

As outlined in communication to you earlier in the term, Year 11 Extended Day Revision will commence on Monday 5th October 2020, please see timetable below. It is expected that all Year 11 students attend these sessions unless there are extenuating circumstances which you have communicated to us. Given the significant amount of content students still have to cover across all of their subjects, it is hoped that these revision sessions, alongside their independent revision at home will support them fully in preparing for their GCSE Examinations. Your support is always greatly appreciated.
