### Is It Worth It? Show

On Tuesday 9<sup>th</sup> July Year 7 and 8 will watch a performance of the 'Is It Worth It Show' in the academy Theatre. The show is sponsored and fully funded by the Kent Police and Crime Commissioner. The roadshow delivers a very important message around E-safety and the dangers of Sexting. It encourages students to think carefully about the consequences of what they post online. This is an important opportunity for our students.

### St Hugh's College OXFORD linking with The Marsh Academy

On Monday 8<sup>th</sup> July the Marsh Academy is being visited by the Outreach Officer from St Hugh's College Oxford. She will be meeting with some students, including the new Year 7s and making plans for how St Hugh's College can work with our students next year. She has planned a unique way of visiting as many coastal Kent Schools as possible – she is running from Camber Sands to Whitstable throughout the week!

### Marsh Academy Future Destinations Day

Last Tuesday Years 10 and 12 all had the opportunity to take part in our Future Destinations Day. We had over twenty different businesses and organisations represented including local businesses from The Marsh Network, EDF, Brakes, The Designer Outlet Centre, HV Wooding, Clague Architects, Kent Police, Navy, NHS, and many more. Kent University, University of Creative Arts and Christ Church University were also all represented. During the day students attended talks and activities about Engineering, Apprenticeships, Team Building, Employability Skills and how to set up your own business. Some of the comments from the exhibitors were: *'The students are great all with their different personalities', 'I have attended many of these types of events and I have never come across such polite and interested students', 'they came up with some amazing questions'.*

### DATES FOR YOUR DIARY

Wednesday 24<sup>th</sup> July – last day of term 6, 1pm finish, non-uniform day
