PARENTS/CARERS OF YEAR 11 STUDENTS

Dear Parent/Carer

From Monday 10th June until Friday 14th June Year 11 students will have the option to study from home. If students decide to take this option, it is my expectation they are at home working productively, not out with friends in the local area, therefore if I feel students aren't being responsible with the time given I will cancel the home study option. Students will still be expected to attend all exams in uniform as normal and will have the option to stay for revision lessons before and afterwards if you do not feel home study is an appropriate use of their time. I am strongly recommending that all students still attend as normal, as we will be running a full timetable of revision lessons. However, I understand for some students, home study at this stage is the preferred option. If your child is staying at home to revise, please inform us of their absence in the normal way.

 Vice Principal

OPPORTUNITIES FOR NEW POST 16 STUDENTS

Is your child joining The Marsh Academy Post 16 in September? If so, we have an opportunity for them to gain valuable experience and develop new skills. We are looking to recruit part-time staff to work in our Leisure Centre during evenings and weekends. There are different roles available and we will be interviewing as soon as the GCSEs have finished, with successful candidates starting in July and August. If you think your child might be interested, please ask them to pick up an application form from the Leisure Centre reception.
