

## THE **MARSH** ACADEMY

### Post-16 Gym Use Agreement

I understand that there are restrictions on Post-16 use of the facilities at the Leisure Centre and I am happy to abide by these and be considerate towards other gym users. I appreciate that use of the gym is a benefit associated with successful progression in my studies and that It may be withdrawn at any time.

I also understand that whilst using the fitness facilities at the Leisure Centre, I will be doing so alongside members of the public and outside the direct supervision of school staff. The school has recommended that members of the 6<sup>th</sup> form attend the gym in pairs and I will endeavour to do this whenever possible.
