

THE **MARSH** ACADEMY

Dear Parent

As part of their wider programme of study some students have opted to attend The Marsh Academy Leisure Centre gym to follow a personal fitness programme. Students with good attendance and academic achievement are eligible to apply for such a privilege.

During the hours of 8.40am to 3pm, Post-16 students, having carried out an induction with the relevant leisure centre staff, can access the facilities free of charge.

Please note that the leisure centre is a separate business and open to members of the public. Interaction with the public is therefore expected. Students are responsible for ensuring that their behaviour is appropriate at all times and that they do not bring the academy into disrepute.

If you wish your son/daughter to access this opportunity, please complete the disclaimer slip below and return it to the Leisure Centre prior to any gym induction. Please note that a copy of the leisure centre risk assessment can be found on the Post-16 website.
