

## The Three Steps to Applying for the Marsh Academy Post 16

### Stage 1 Details

- Watch the videos and read the Post 16 Course Information Guide 2021/22 along with our Year 12 Option Blocks
- Select the subjects which you would like to study from the appropriate levels remembering that only one subject in a column can be selected

### Stage 2 Application

- If you are already a student at the Marsh Academy, complete the Post 16 application form, which can be completed electronically, and then hand it to the student office
- If you are an external student who wishes to join us for Post 16, complete the application using the Kent Choices website by clicking on this link . Applications open 30th November 2020 and close on 31st January 2021

### Stage 3 Interview

- Existing students will be invited to interview during the school day. On completion of a successful interview a conditional offer will be made dependent achieving the GCSE qualifications required.
- External students will be invited to an interview and will be offered a tour of the Academy and Post 16 environment after school hours due to current restrictions. On completion of a successful interview and review of references, a conditional offer will be made dependent on achieving the GCSE result required.
